

SHY So What: An Introverts Guide To Cure Social Anxiety, Overcome Loneliness, And Small Talk Like A Pro (Social Anxiety, Loneliness, Fear of Rejection, Stop Being Shy Book 1)

Are You Introverted and Want to Socialize Like an Extrovert? Do you believe that you cant socialize because you are shy? Do you find it impossible to figure out how to make others like you? Have you always secretly admired and envied those who could connect with others easily but you had no idea how to do it yourself? Did they tell you that its bad to be introverted? If so you are in good company but heres the deal. MYTH: You need to be an extrovert to have an exciting social life? Thats what they say... but thats bulls*** Making friends and overcoming loneliness is not a matter of extroversion, but knowing how to build social value. Truth is: If you know how to build SOCIAL VALUE it doesnt matter whether you are an intro- or extrovert. Here is what youll learn The Social Value Principle: Socializing successfully is not randomThe 2 basic pillars of being perceived as socially valuable (its much easier than you think)5 fail-proof conversation techniques that catapult your chats from boring to I cant get enough4 major small talk flaws that kill a conversation (do one of them and you are out)What screwed your interactions in the past (if you dont know it, its almost guaranteed that you will do it again) Moreover youll get this: The 5 social value boosters that will work like magic in initial conversations (once youve tried you never want to miss it)Scripted conversation starters ready to goSimple body language shifts that make or break a conversation (if you dont know them you can only rely on luck)And much much more [incl. A Step-by-Step Exercise Plan to exorcise your social fear and skyrocket your social skills within two weeks] Stop for a moment and think about how your life will be in 1, 3 or 10 years from now if you dont get this handled. Shyness usually doesnt get better it likely gets worse. Now imagine how it would be if you could fearlessly talk to anyone, break the ice and

enjoy socializing. Knowing how to build social value makes you more social INSTANTLY and you will kick shyness in the butt FOR GOOD and NEVER feel like the third wheel in social situations Dont waste more of your precious time, scroll up and get your Copy TODAY
