

## Happiness: 5 Simple Life-Changing Steps

Happiness: 5 Simple Life-Changing Steps, is the how-to book of the decade. It gives a clear understanding of the dynamics of happiness and the simple practical steps to ensure happiness, excitement, fulfilment and ongoing inspiration are a part of your life. It has been written in a simple, practical and accessible style, and is equally suitable as an end-to-end read, or as reference to return to. In chapter step #2 in detail, the book holds your hand through a tried and tested step-by-step process of how to find your passions and then monetise them, into a job or business to ensure that even when you are working you are happy and having real fun. This book will show you clearly how to vastly improve all the social, family and professional relationships in your life. With Happiness: 5 Simple Life-Changing Steps, you will improve the quality, effectiveness and efficiency of your thinking. You will also learn how to remove feelings of boredom and dissatisfaction that are too often a part of our modern lives. Learn the most powerful and impactful secrets of motivation and goal-setting and the key to overcoming procrastination. Reading this book will bring positive change into your life and those around you. Read this book to simply be a much happier you.
