

Tender to the Touch (Urban Books)

For the past eleven years, Reverend J. Amanda King served as an anointed and powerful leader for the womens ministry of Faith Tabernacle Church. Though thousands of women have been blessed by her leadership, J. Amanda is most fond of the ministry she built with five of her sorority sisters. To them she is more than a spiritual leader and counselor. She is their sister and true friend. The bond of the sisterhood is tested when J. Amandas old flame, Hunky Crawford, resurfaces and pleasant memories of their life together seem more appealing than the one she shares with her husband, David. In time, J. Amanda remembers why she ultimately chose David over Hunky, but is she too late? Hunky exposes secrets that threaten to destroy J. Amandas relationship with her husband and line sisters forever and lead to a startling death. Will J. Amandasalvage her relationships and get her life back on track, or will she give up on God and accept the consequences for turning her back on her faith?
