

## The Adventuress: A Novel

A delightfully wicked novel, *The Adventuress* follows the rise and rise of Cathy Fox, a modern-day Becky Sharp. No one forgets Cath Fox. From her scorpion tattoo to her other worldly charms, she's a shrewd woman-on-the-make who will not be swayed in her quest for the top. From her humble beginnings as a matrons assistant at a top girls boarding school, Cath embarks on a journey that will take her from a Portsmouth backstreet to the boardrooms of the global empires. With a cast of footballers, media moguls, lords and dukes, Coleridge charts the rise of a woman who will not be denied, right to the very pinnacle of society? a Royal Wedding. N. D. Coleridge has been praised by everyone from Tina Brown to *The New Yorker* to Graydon Carter for his irresistibly funny and flawless dissection of social mores. Cutting a sweep from the 80s to the present day, this *Vanity Fair* for our age is keenly observed, hilarious, and utterly addictive.
