

THE TROUBLE WITH THE BATTLE OF THE SEXES

The Battle Of The Sexes Has the daily grind of long-term co-habitation turned you from starry-eyed romantic to war-weary relationship veteran? Do you long for those heady days when you barely noticed your partners irritating little foibles? Then let us through our little sideways look at the trials and tribulations of co-habitation enlighten you as to why, although you may emerge triumphant from the odd skirmish in the battle of the sexes, you will never, ever, win the war! By offering humorous insights on everything from Bathroom Etiquette to The Silent Treatment and even Relationship Life-Savers to Ye Olde Birth Control we cover every high point and humiliation in between, and The Trouble With The Battle of the Sexes may just convince you that you are far from alone. Featuring original wordplay cartoons from the Dahling Do Tell gossiping ladies and the intellectually challenged Yer Avin A Larf lads, The Trouble with The Battle of the Sexes is yet another in our guides for the lovelorn and confused. Next up in the series The Trouble With Christmas.
