

The Glass Slipper

1951, and Wren Jennifer Howard, on duty in Air Traffic Control as the primary link between a Naval pilot and his base, is the first to hear the words of his dramatic sighting, X-Ray Charlie to Control. Reporting Uncle Fox Oboe ... A fast moving mystery and romance set on a Naval Air Station in Northern Ireland in the 1950s. When a UFO is spotted some try to deny the evidence of their own eyes but a courageous Wren risks her own career to rescue the reputation of a Naval pilot. The matter is complicated by the machinations of various authorities who are trying to cover up and avoid a possible international situation. At the same time her love life becomes a trifle confused! I thoroughly enjoyed reading it Georgina Tuckett, Editor The Wren
