

Gospel Poetry (Amazon Version)

Julian Hills new book, Gospel Poetry focuses on God the Father, Jesus Christ the Son and Julians personal journey of becoming closer to Them in the midst of anxiety, depression, Schizoffective Disorder, incarceration and separation from wife, children, family, friends and loved ones. The poems and reflective pieces were written while he was incarcerated for 11 months and 4 days at Fayette County Jail in Georgia. It was the beginning of a transformation journey. Although Julian was already a Christian, he had not come into the growth as he should in Christ the Lord. It was in jail that he read scriptures, sang hymns and gospel songs, and prayed then he was able to get a breakthrough. Eventually he continued writing and what we have is Gospel Poetry. This is a very personal collection. It is the hope of the writer that all people from all backgrounds and faith become encouraged as well. This material will also be available in a 5-CD set and DVD in addition to various formats for the book. You can pre-order your copies today by emailing JHillExecutive@yahoo.com or calling 404-980-8880 at Real Game University Publishing.
