

The Letter to the Galatians (Medieval Bible Commentary series)

This work on Galatians is the inaugural volume in a significant new commentary series, *The Bible in Medieval Tradition*, which seeks to reconnect today's Christians with part of the church's rich tradition of biblical interpretation. Ian Christopher Levy has brought together six substantial commentaries on Galatians written between the ninth and the fourteenth centuries. Levy's clear, readable translations of these major texts -- previously unavailable in English -- are augmented by his in-depth introduction, which locates each author within the broad context of medieval scholarship.
