

## Father, Son, and Holy Spirit: Holy Trinity

**Introduction** This is a short book on the Apostles Creed. Each article is taken individually while considering its development from the Apostles thru the Apostolic ages to its present expression. The hope of this meditation book on the articles of faith is that it will deepen our faith and enliven our love for the development of the articles themselves as well as grow in a more resolute commitment to keeping them always alive in our hearts. We weekly pray the sign of our faith in Sunday Liturgies or Holy Days of Obligation throughout the Liturgical Year, but these are reflections of our own faith and the faith of the local communities of our faith. The Apostles Creed comes down to us from the earliest years of the Church and has been the source of the earliest form of communal worship and witness. May that same faith from which it arose keep it alive in our lives. This collection of meditations is derived from the preceding books on the first three articles of faith regarding the Most Holy Trinity. God the Father, Almighty. Jesus Christ, his only-Begotten Son, our Lord, and the Holy Spirit .
