

The Power of the Eyewitness

THE POWER OF THE EYEWITNESS is a study of the Epistle of John. My purpose in writing this study book is to help you grow in the Word of God. The goal of this work and study book is to take each and every tidbit of scripture and to study it with a purpose in mind, and that purpose is to know His word and please God by obeying Him; as 2nd Timothy 3:17 says, that the man of God may be complete, thoroughly equipped for every good work. This book will enlighten you, and provoke you to dig deeper into the word of God. With clarity and revelational insight, Frank Fittante presents the Epistles of John in a way that will cause you to examine your walk with Christ, and your relationship with your neighbor.
