

The Smugglers Gambit (Adam Fletcher Adventure Series) (Volume 1)

Port Beaufort, North Carolina - May 1765
Seventeen-year-old Adam Fletcher is no stranger to fist fights, but when he bloodies the nose of the obnoxious son of Port Beauforts customs agent, the local magistrate offers Adam two choices: jail or an apprenticeship. Choosing the latter, he soon finds himself bound apprentice to a reclusive old man with a secret, colorful past. Although Adam is less than thrilled about his new situation, when he is asked to spy on his master as a suspected smuggler, he has to decide where his loyalties lie. Will he perform his civic duty to the Crown, or will he do whatever is necessary to protect the old man, possibly putting even his own family in danger? Secrets will be revealed, loyalties will be questioned, betrayals will be uncovered, and a young mans character will be put to the test in The Smugglers Gambit. The Smugglers Gambit is the first book in the Adam Fletcher Adventure Series of historical fiction novels. If you like fast-moving adventures, impetuous young heroes, suspense-filled plots, and a dash of romance, then youll love Sara Whitfords entertaining series!
