

## The Twelve Plays of Christmas: Original Christian Dramas

Sheryl J. Anderson has created 12 humorous and insightful Christmas dramas appropriate for performance in a multitude of church settings. Of varying lengths and addressing a variety of messages, all of the plays emphasize the power of simplicity in the Christmas season. These dramas may be simple or elaborate productions, as stage area, budget, and time permit. All roles may be portrayed by actors of either sex and of any age. The book also includes a bonus drama for Epiphany.
