Edward Williams, editor of a national newspaper in London, England, assembled a team of success experts in a secret meeting. They were called in by the newspaper to help create a unique book that would help ordinary people achieve levels of success they could never normally dream of. The carefully selected team was made up of top professionals who had already achieved above-average success in their own lives and included doctors, psychologists, writers, scientists, teachers, and business leaders. The project evolved into a 12-part course, each lesson became a complete book in its own right revealing practical principles and strategies in a focused area of success development. Together, the 12 books form one of the most comprehensive resources and success plans ever created. With the help of the newspaper who started the project, the course was released to the public and

became a great success proving powerful to hundreds of thousands of people in a time when the rest of the world was suffering in an economic depression. The project was called Live Rich and has remained a secret ever since. All 12 books of the Live Rich course are now available on Amazon:
