

The Sweet By and By: A Novel

Gentle, sensitive...sometimes funny, occasionally sad, and ultimately life-affirming. Winston-Salem Journal
The Sweet By and By is the story of five southern women of different ages and from very different backgrounds whose lives come together in a journey of courage, hope, and humor. First-time author Todd Johnson who was a co-producer with Oprah Winfrey of *Broadway's The Color Purple* makes an indelible literary mark with a debut novel that bestselling author Adriana Trigiani (*Very Valentine*) calls, heartfelt and stunning. People magazine chose *The Sweet By and By* as one of its Great Reads for Your Book Club, saying, *Steel Magnolias* fans will love this one.
