

Under His Influence

Anna Rice is avoiding a coworkers advances when she encounters enigmatic John Stone at a trendy London bar. With his impeccable suits, salt-and-pepper hair and suave demeanor, John is unlike any of the boys Anna has dated in the past: hes definitely all man. Its not long before Anna is head over heels in love, and experiencing out-of-this world erotic dreams. Reporter Mimi Leblanc is wary of her best friends latest romance. Theres just something about John... But nothing Mimi digs up about him can deter Anna. Determined to protect Anna, Mimi continues her investigations - and what she uncovers about John is the last thing she ever imagined. But perhaps even more shocking is her own growing attraction to him...
