

## Velvet Heat: Erotic Poetry for the Carnal Mind

Sex is poetry. It can be a song, a verse, like music, melodious and rhythmic. Poetry is passiondirect or lettered with illusion. When given as a gift, poetry is romantic, beautiful, even chivalrous. It can serve as a definition of thought, a gesture, a move. It can even be foreplay. From the foreword by Michele Zipp, Editor-in-Chief, Playgirl Magazine
