

The Thrones Of Our Souls - Prophetic Mandates for the End-Time Generation

Joseph Schuchert, formerly of Time Square Church and David Wilkersons World Challenge Ministries, writes: This book is a clarion call to the thirsty believer who wants to be drawn into the heart of God. If you want to go behind the veil and discover some of the Kings hidden secrets then you will need to eat at such a banquet table that Paul Keith Davis has prepared. The contents of this book contain open revelations from God Himself. It is much more than a glimpse into the secret places, it is also a full view on how to become an overcomer. From an online review: When Adam was originally fashioned, the Lord was fully enthroned in his soul. As a result of the fall of man, these departments of our human existence are given over to the fallen nature. The revelation highlighted the Lords redemptive plan and desire to be fully enthroned in the soul of man according to His perfect design with Adam. That is part of the prophetic mandate and high calling for this generation emphasized in 1 Thessalonians 5:23....Recommended by John Paul Jackson of StreamsMinistries.
