

Her Divine Destiny (Cherry Blossom Garden) 2nd Edition (The Jenson Bridal Series) (Volume 2)

Azaleas dreams would lead her from being a single-hardworking Mom, who was just a seamstress in a dress factory; to becoming an educated, successful and prominent Fashion Designer. Azaleas passions that shed concealed inside for so long, because of past pain from men shed trusted, would lead her to the love of her life; the handsome and ambitious Lane Jenson. Although Azaleas would later come to believe that she had everything in life she could have dreamed of having, there still remained a void. Surely there must be more to life, she thought. Is there another purpose if I am to find true fulfillment? Suddenly, like a strong wind that blows, warning of a storm coming, fate steps in. Azaleas seemingly perfect world is turned upside down; rocking its very foundation. Would the path Azalea had taken, be enough to see her through the trials she was about to encounter, or would the path God had chosen for her life ultimately lead to Her Divine Destiny?
