

Ive Been a Naughty Girl

What happens when a college freshman goes from virgin to vixen? When a delay at the airport turns delicious as a lady in uniform takes over? When a late night shower leads to the satisfaction of an old school crush? When people stop playing nice and start getting naughty? Because when desire takes over...when seduction is the only way in or out...when lovers, ex-lovers, and wanna-be lovers are all fair game...the only way to be is naughty. So go ahead -- plunge yourself into this hotbed of passions, intimacies, and arousing interludes.
