

Monsoon (Courtney Family Adventures)

Monsoon, a Courtney Family Adventure from Wilbur Smith. One man. Three sons. A powerful destiny waiting to unfold. Monsoon is the sweeping epic that continues the saga begun in Wilbur Smith's bestselling *Birds of Prey*. Once a voracious adventurer, it has been many years since Hal Courtney has dared the high seas. Now he must return with three of his sons - Tom, Dorian, and Guy - to protect the East India Trading Company from looting pirates, in exchange for half of the fortune he recovers. It will be a death or glory mission in the name of the crown. But Hal must also think about the fates of his sons. Like their father before them, Tom, Dorian, and Guy are drawn inexorably to Africa. When fate decrees that they must all leave England forever, they set sail for the dark, unexplored continent, seduced by the allure and mystery of this new, magnificent, but savage land. All will have a crucial part to play in shaping the Courtneys' destiny, as the family vies for a prize beyond any of their dreams. In a story of anger and passion, peace and war, Wilbur Smith evinces himself at the height of his storytelling powers. Set at the dawn of eighteenth-century England, with the Courtneys riding wind-tossed seas toward Arabia and Africa, *Monsoon* is an exhilarating adventure pitting brother against brother, man against sea, and good against evil.
