

Do this in Remembrance of Me: The Eucharist from the Early Church to the Present Day (SCM Studies in Worship & Liturgy Series)

Bryan Spinks is one of the worlds leading scholars in the field of liturgy and to have a comprehensive work by him on the Eucharist is a major catch for SCM. Like the authors previous work on Baptism, this will become a standard work about the Eucharist and Eucharistic theology worldwide. The book, a study of the history and theology of the Eucharist, is the fifth volume in the SCM Studies in Worship and Liturgy series and will help to establish the series as a place for landmark books of liturgical scholarship. This book will be aimed at undergraduate and graduate theology students, clergy and theologically literate laity. It will assume some technical knowledge (i. e. it is not an introduction to liturgy or introduction to sacraments), but will attempt to outline what the evidence is, and what current scholars think. On occasions it will advance or argue for why one interpretation is preferable to another.
